Kind of an unfair comparison, Rasputin was a crazy monk with a huge cock who fucked every Russian babe in sight, cheated death like 6 times, and is regarded historically as a bad ass. Jack Dorsey is just crazy.

So bad, In fact, that you need to be

- afraid to even defend her from their overreach,
- unwilling to criticize those attacking her,
- urgently distancing yourself from her, her beliefs, and her actions,
- cowed into general silence, and
- intimidated into NEVER considering violence, force, or resistance against the abuse of government power again!

"If you're looking for ransom, I can tell you I don't have money but what I do have are a very particular set of skills. Skills I have acquired over a very long career. Skills that make me a nightmare for NPCs like you. If you let my country go now, that will be the end of it. I will not look for you, I will not pursue you. But if you don't, I will look for you, I will find you and I will invade your safe space."

Does anyone know if there is a video of the entire protest? I was looking back on when police opened the doors to protesters to when Ashli Bobbitt was shot. The ambulance showed up at 2:17pm but reports claim it happened at 3:23pm. They opened the door and allowed protesters in at 3:11pm. At that point those who went inside after given access report water on the floor from them cleaning up her blood. The timeline is all over the place

close range neck wound from a .45 and an exit wound from that will let out a lot of blood.

▲ 1 ▼

– [The CPMO](#) 1 point 3 days ago +1 / -0

Yeah the videos show water all over the floor and people comment about it. They say her blood was washed away and they de-escalate the situation by letting people in afterward. Most people there were not aware anyone was shot or killed. Many rumors of someone being shot was known 2 to 3 hours later. It was a smart move to let them in. Had people known someone unarmed, female and veteran was shot and killed- would have resulted in chaos.

She was a Christian. Although she is gone from this world, she will live forever, and because of the way she was taken before her time, God will have his vengeance. If you think he will forget, God is forever, you cannot outlast him. None will escape Judgment, all will be Judged. I find comfort in knowing that the next thing she will know will be a place so perfect, it is beyond human comprehension. Jesus is coming, and he is coming soon. It is hard for thee to kick against the pricks.

The Asians who weren't subjected to the ideologically subversive American schools and who don't live in a left wing bubble are some of the most based people in the US because they grew up with the specter of communism in their back yard or had to deal with the collateral damage of a proxy war over communism.

Only the Cubans and Venezuelans are more based as a group.

It's good to see the funniness return. If we are being honest that's one of the things that made 2016 so great, was just how hilarious it was to troll the left-wing pearl clutching authorities

When I was leaving the capital area after it was clear nothing more was going to happen, I overheard an older lady walking behind me. She must have been hard of hearing or something because she was talking super loud. She was on the phone, and she said, "Hello? ... Oh yes... Yes, we were going to storm the capital, but Lynn got tired and had to sit down." She sounded like a quaint old grandma. I laughed out loud.
